

Laurence G. Hanscom Field Airport is located in Bedford, and it is located about twenty miles northwest of Boston. Laurence G. Hanscom Field is the largest general aviation airport around its outskirts. Its name was decided in honor of the late Lawrence G. Hanscom, former founding member and commander of the Massachusetts Wing of Civilian Air Reserve.

About Laurence G. Hanscom Field – Bedford, Massachusetts (BED)

This airport is also widely popular among corporate and executive travelers for its commuting routes of Massachusetts and New England. Hanscom Field is a regional airport that renders services to limited commercial and corporate flights, private pilots, flight schools, charters, and light cargo. If you're traveling to Boston, Bedford, or the surrounding area on a private plane, this airport is an optimal choice.
