

Miami-Opa Locka Executive Airport is situated in the mainstream location of Miami. This happening airport is just a few minutes away from Hard Rock Stadium (famously known as the home of Miami Dolphins) and just half an hour away from Miami Beach. Opa-Locka is close to the Miami International Airport as well. This accommodative proximity reduces the crowds at this airport, making it an optimal choice for private flyers.

About Miami-Opa Locka Executive Airport – Miami, Florida (OPF)

The airport facilitates private, leisurely, and business flights. It supports the aviation community through cargo and aircraft repair and maintenance. Perhaps this airport's best features are the no landing fees and full FBO services. The U.S. Coast Guard also operates its air rescue station from this airport.
