

Orlando International Airport is an airport in Orlando, Florida that serves over 50 million passengers annually. The airport covers an area of about 12,600 acres and it is considered to be the second busiest airport in the world by aircraft movements and the busiest airport in Florida.

About Orlando International Airport – Orlando, Florida (MCO)

There are multiple forms of mass transit at Orlando International Airport: the internal shuttle system, a train and the LYNX Central Station. The MCO shuttle provides free buses throughout the terminals and to the rental car center. The LYNX Central Station connects the airport to downtown Orlando. When you fly private, there are also other options available that can help make your overall travel experience more seamless and less stressful. We can provide ground transportation services to and from the destination of your choice, to or from Orlando International Airport.
