About Teterboro Airport – Teterboro, NJ (TEB)

Address:

111 Industrial Ave
Teterboro, NJ 07608

Teterboro is a small borough in northern New Jersey, known primarily for the Teterboro Airport, which caters to private and charter flights. The airport is one of the busiest for general aviation in the region, serving as a popular hub for business executives and high-profile travelers due to its proximity to New York City, located just a few miles away. Beyond the airport, Teterboro is largely industrial, with limited residential areas and a focus on commercial activities, making it more functional than a typical suburban community.
